

Dear Rosalia Schools Families:

This spring your student in grades 3-8 and 10 will take the Smarter Balanced tests in math and English language arts. Students in grades 5, 8, and 11 will also take the Washington Comprehensive Assessment of Science (WCAS).

The results from these tests will give a more accurate picture of whether students are on track to be ready for college or career. For students in grade 10, the Smarter Balanced tests can also be used as a graduation pathway.

Our students will take the tests online. Our school is scheduled to take the tests from May 12th through May 27th, 2022. A testing schedule has been provided at the end of this letter for your information.

For more information about the [Smarter Balanced and WCAS](#) tests, visit:

Thank you for continuing to work with us to make sure your student is successful. Please let us know if there is anything we can do to better support your student. We want your student to leave us with a solid foundation of skills and a future full of opportunities.

Please call or email Mr. McLain if you have questions about state testing.

Sincerely,

Matt McLain
