First Day Training/Procedure for Students:

Attestations: Students/Parents will learn their roles in making sure that daily attestations are done prior to entry of the school building. Secondary students will enter the main front doors where they will have attestations and temperatures checked.

Safety Training: Students will learn about the expectations regarding wearing masks, proper social distancing, and washing hands regularly their first day in class.

Class Transitions: Students will have a staggered transition where students will move from class to class at intervals in a concerted effort to remain in their cohort (class) groups. Students will also have a transition traffic flow that will take into consideration appropriate social distancing.

Tentative Class Schedule (we will exercise flexibility where needed to best facilitate effective safety procedures):
