

Second Grade News

January 18, 2019

Valentines Day: Our party will be on February 14th, at 2:00. If you signed up at conferences to help, someone will be calling you soon! Thank you!!!!

The end of the 2nd quarter is Friday the 25th. AR quizzes for this quarter must be taken before then. Students have 20+ minutes each day to read and take AR quizzes. Students can also read books at home and take quizzes on them at school, but they must be a just-right book...not too easy...

Reading...

This week in reading we practiced retelling stories by putting the events of the story in a sequence. We read two great stories, The Starry Night and a Mr. Putter and Tabby book.

Thank you for your book orders. We will be able to get some great books for our classroom!

Math...

This week in math we used models to regroup tens for addition. The students are working hard and seem to have a good grasp of it! We will be starting a weekly lesson on Money Savvy Kids. Please read the attached letter.

Mark Your Calendar...

January 25th...End of semester/ Early release at 12:00

January 30th...Report Cards sent home

February 6th...WIN Wednesday/Early release 12:00

February 8th...100th Day of School!

Writing...

This week in writing we continued to research the topic chosen for our nonfiction papers. We learned what makes a strong introduction and wrote three different versions. We also created a table of contents.

Social Studies/Science...

This week in Science we made structures out of blocks. We rearranged the blocks to make different structures with 6, 10, 16, and 25 blocks.
